

# Accessibility Statement for Squash Facility Network

This is an accessibility statement from Squash Facility Network.

## Measures to support accessibility

Squash Facility Network takes the following measures to ensure accessibility of Squash Facility Network:

- Include accessibility as part of our mission statement.

## Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Squash Facility Network is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

## Additional accessibility considerations

“Although our goal is WCAG 2.1 Level AA conformance, we have also applied some Level AAA Success Criteria: Images of text are only used for decorative purposes. Re-authentication after a session expires does not cause loss of data. Some videos have sign language interpretation.”
